[Woman]: "So how is Medicare changing?" [Announcer]: It's the same Medicare you've always counted on.

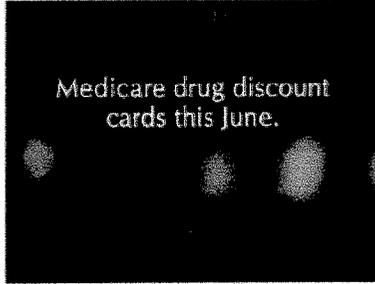

Plus more benefits like prescription drug coverage.

[Man 1]: "Can I keep my Medicare just how it is?" [Announcer]: Yes you can always keep your same Medicare coverage.

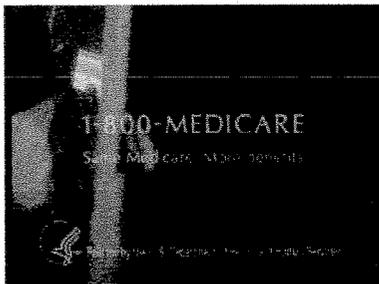

[Woman 2]: "Will I save on my medicines?" [Announcer]: You can save with Medicare drug discount cards this June.

And save more with prescription drug coverage in 2006.

[Man 2]: "So, my Medicare isn't different, it's just more." [Announcer]: Right.

And you can learn more. Call 1-800-MEDICARE. [PFB]: US Dept. of Health and Human Services
